

## Our Promise

ARS, Inc. is committed to providing you with the highest quality, most reliable and professionally trained eco-friendly custodial service.

Potential benefits of ARS's "green" cleaning:

- **Healthier Workforce** — green cleaning reduces your employees exposure to hazardous chemicals which can improve air quality while effectively disinfecting/ reducing harmful pollutants that cause Sick Building Syndrome.
- **Lower Operating Costs** — with a healthier workforce you can lower absenteeism and turnover; going green can minimize waste disposal costs and is less abrasive to interior fixtures, furniture and flooring
- **Public Positive Image** — it may improve your public image by showing social responsibility as well as environmental/community stewardship

For more than seventeen years Asian Rehabilitation Service (ARS) has provided the Government with outstanding custodial services through the federally funded AbilityOne Program, who's mission is to create employment opportunities for people with severe disabilities.

For more than three years, our janitors, who include returning disabled veterans from Iraq and Afghanistan, helped government agencies like Department of Justice, Drug Enforcement Administration, Veterans Administration, and Social Security Administration keep their facilities clean and "eco-friendly".

Asian Rehabilitation Service, Inc. ARS is a 501 (c) (3) tax-exempt community based organization headquartered near downtown Los Angeles. We have provided persons with significant disabilities with job skills training and employment since 1972. We believe in the uniqueness, worth, cultural integrity and the right to human dignity for every person. It is our mission to provide employment and other workforce development services that assist individuals with disabilities achieve their highest potential.

As a community rehabilitation program we value and respect the unique contributions and participation of our employees, customers, and other stakeholders. ARS is an equal opportunity employer and believes diversity is the key to our success.
